GETTING READY FOR SCHOOL OPENING MONDAY—Members of the Hamlin Pep Squad have been busy this week placing decorations in the halls of the high school getting ready for the first day of school Monday. The girls were assisted by two members of the Pied Piper Football team Tuesday. Pictured, on the ladder, are left to right, Helen Moore, cheerleader; Barbara Graham, head majorette; Robert Pearce, Nancy Ford, head cheerleader; Larry Simpson; Pat Pope, majorette; Sandra Fudge, majorette and Sheila Stone, cheerleader.

Coach Andrews Gives Lions Rundown on Team

The Pied Pipers will play Clyde here tonight in a practice game at 7:45, according to Coach D. C. Andrews. This will be the only practice game the team will play this year because of a change in League rules.

Andrews and his assistants were guests of the Hamlin Lions Club Tuesday at their noon luncheon at which time he gave the members a brief run down on the team's personnel.

He explained the team's new Flip-Flop, Wing T type offense to the club and said that is built around the abundance of good receivers that the club has this year.

He said that the fans may be a little confused at the start of the season because of the flip-flop in the line. He explained that the boys who play on the split side of the line will play there whether the split is on the right or the left. The boys in the line will not play on the left or the right side of the line but will play on the strong side or the weak side. In explaining the weak side he stated that did not mean the weaker boys but that it referred to the fact that with the end split out from three yards to the side line there would be only two boys next to the center.

In going over his personnel with the club members he listed Mike Shivers, 170, at the split end position. Shivers was named All-District and All-Area end last year and Andrews said that he is an excellent pass receiver and a good runner and that the split end part of the formation was designed to take advantage of his abilities.

At the weak side tackle position the coaches are running Pat Batchelor, 178 pounds, and Robert Allen, 203 pounds. He said that Allen would probably see more defensive action than offensive action.

At the weak side guard position he listed Larry Simpson, a 160 pound transfer from Abilene who played on the B team last year until he became eligible for the varsity this year. He will be used as a pulling guard to block on the strong side of the line.

At center is George Bonds who weighs 185 pounds and saw action last year at this position.

At the strong side guard position is Dan Bruner, at 150 pounds, and at strong side tackle is Charles Prewitt, at 183 pounds. Filling in at both of these positions is Bill Kitchen at 173 pounds.

At the tight end position will be James Ledbetter, the only

junior in the starting line, who is a good blocker and a fine pass receiver.

Playing at the newly created wing back position is Allen Cumbie at 140 pounds. He will play just outside the tight end position and will double team block with the end. He also is a fine receiver and will run the reverse plays from this position.

At quarterback will be Johnny Overman, a starter back from last year at 160 pounds, and Tommy Ferguson, a 165 pound junior, who can also play at the wingback position and at end.

Robert Compton at 155 pounds is running at the fullback position. And at halfback will be Robert Pearce who the coach says can do everything, he throws, runs, catches, kicks and is a good defensive player. In the new type offensive the team will be running this year

the fullback, or tailback as it is sometimes called, will carry the ball twice as much as any other boy in the backfield.

Danny Warner at 150 pounds is working out at both the full back and halfback positions.

In going over the coming season with the Lions, Andrews said that the boys will face a strong schedule as he has seen and that he did not expect to win all of the games, but he hoped that they did not lose all of them either.

Andrews said that with their limited size and the abundance of good pass receivers he expected to pass a lot this year and that with the new formation he expected to run lots of sweeps.

Andrew's assistants who were introduced to the club are Sam Walker, Jerry Larned, Dan Truelove, and Grady Allen. Lester Minton introduced the program.

Three Teachers Added to Staff At DePriest

The faculty of Oscar DePriest School was completed last week with the hiring of three new teachers.

New teachers on the staff include Mrs. Mary E. Esco formerly a teacher here about two years ago and more recently from Nachagdoches. Also Charles O. Stine of Tyler and Billy M. Lowey of Abilene.

The faculty is as follows: Mrs. Dollye P. Gilbert, first; Mrs. I. J. Starr, second; Mrs. Esco, third and fourth; Bobby C. Cain, music and fifth and sixth; Mrs. Jimmy Lee Huff, English; Mr. Stine, science; Miss Lowey, homemaking; John Mayfield, coach and social science; Mr. I. J. Starr, principal and math.

Dee Waggoner Jr., former science teacher, Mrs. Wilmoth Butler, former English teacher, and Mrs. Ethel Cunningham, homemaking teacher, resigned. Mrs. Butler will be teaching in Abilene and Mrs. Cunningham went to Dallas to teach.

GOOD TICKETS TO HOME GAMES STILL AVAILABLE

Season tickets for the home football games are still on sale at the office of the principal at Hamlin High School. Principal B. V. Newberry said Tuesday that there are more tickets available this year and there is still a large selection of good seats.

The five home games are: Rotan, Sept. 4; Post, Sept. 19; Homecoming, Ballinger, Oct. 9; Winters, Nov. 6; and Anson, Nov. 13.

Rites Held Here For Henry Fisher

Funeral services for John Henry Fisher, 86, of Haskell were held there Tuesday Aug. 18, at 4 p.m. in the Church of Christ on Ave. A. Burial was in Willow Cemetery.

Mr. Fisher had lived here for some time with his daughter, Mrs. Hazel Sneed, and was making his home with another daughter, Mrs. Lillian Bagley in Haskell at the time of his death Aug. 15.

He was a farm laborer. He had been under treatment for a heart condition.

Other survivors include his wife, Ella May of California; 11 daughters, Mrs. Roberta Smith of Gore, Mrs. Elberta Chapman, Mrs. Gertrude Nichols, both of Houston, Mrs. Clonnie Leaks of Waco, Mrs. Bagley, Maggie Lewis, Mrs. Johnnie Mae Allen, both of Phoenix, Ariz., Mrs. Helen Battle of Cal. Stella Bailey of Denver, Colo., Mrs. Viola Williams of Dallas, Mrs. Sneed of Hamlin; one son Willie P. Fisher of Tucson, Ariz.

Albrittons Take First in Bridge

Mr. and Mrs. Henry Albritton were first place winners at the Tuesday evening meeting of the Hamlin Duplicate Bridge Club. Second place honors went to Mr. and Mrs. Grady Bowdery of Stamford and third was earned by Mrs. Don Gallagher and Mrs. Gene Knabel.

The club meets each Tuesday evening at 7 p.m. at the Oil Mill Guest House.

P.T.A. SETS OPENING MEETING FOR SEPT. 4

The opening meeting of the Hamlin Parent-Teachers Association will be held Thursday, Sept. 4, at 7:30 p.m. in the primary cafeteria.

The meeting will include a get-acquainted period for teachers and parents.

TO SPEAK HERE TUESDAY—Dr. C. J. Dodsworth of Bowie, Governor of district 579, Rotary Club, one of 40 club members in his district. He will be addressing the Hamlin Rotarians at their regular meeting and will also confer with the organization's president James E. Rodgers, and other officers concerning the Rotary program.

West Texas Utilities Announces Company-Wide Rate Reductions

A company-wide \$1,100,000 annual reduction in electric rates was announced today by West Texas Utilities Company. One hundred and sixty three towns and communities served by the Utilities Company will benefit from the rate reduction.

The revised schedule of electric rates was filed with the City by Ned Moore, WTU (Local) Manager. The new rates will be effective with meter readings made after August 31, 1964.

Those new rate schedules result from a reduction in the Company's income taxes due to recent changes in the federal income tax rates and the increased usage of electricity by present customers, together with greater company operating efficiencies and economies.

"These rate reductions," Si Phillips, WTU President said, "are evidence of our policy of reducing the cost of service to customers whenever we can. The \$490,000 direct reduction in our federal income taxes, plus the improved operating efficiencies of new generating equipment we have recently put into service, as well as the new facilities now under construction.

County Receives Reaccreditation as Tuberculosis Area

Dr. R. G. Garrett, Executive Director of the Texas Animal Health Commission, announced the reaccreditation of Jones County as a Modified Accredited Tuberculosis Area.

County Agent, Kirby W. Clayton, has received the certificate which is good for six years.

"This Commission wishes to express its appreciation to the people of Jones County for the splendid cooperation extended to its representatives while work was being conducted in Jones County; and requests the further cooperation of the citizens of the area to maintain the tuberculosis status of the county," Dr. Garrett, said.

Winters Knocks Rebels Out of Meet

Winters beat the Hamlin Rebels Saturday morning in the Abilene Tournament 2-0. San Angelo came from behind in the last inning to beat the Rebels 10-3 and put them out of the tournament.

Zoan Winegart was named to the all-tournament team.

Mrs. Cove Pritchard was named to the Robert Lee all-tournament team.

Mr. and Mrs. James Dalton Young of Anson are the parents of a baby boy born Aug. 20. He weighed 1 1/2 lb. 6 oz. and was named Destry Reine.

School to Start Here Monday

Last minute preparations for the opening of school are now underway as teachers and students get ready for the fall term which begins Monday, Aug. 31.

This week decorations were placed at the high school building by the Pep Squad set the stage for a spirited opening.

Pre-registration in Hamlin High School indicates a new high in enrollment. Following pre-registration last week 253 students were included in the four top grades. Principal B. V. Newberry said Tuesday that about 20 more are expected to be enrolled at the opening of classes.

Freshmen lead the classes with 72 while the junior class is next with 66 members. The

sophomore class has 63 students and the senior group numbers only 52.

Superintendent C. F. Cook said this week that all employees of the school system had been hired.

Jaycees Set Date For Carnival

Dates for the annual Jaycee Carnival have been announced for Sept. 9-12 according to C. R. Dansby, president of the Hamlin Junior Chamber of Commerce. The carnival will be held at the corner of Southwest Third and Avenue A on the Farmers and Merchants National Bank parking lot.

Dewey Nunley was named carnival chairman. He said the Octopus, Loop-O-Plane, Cane Wheel, airplanes and ponies would be the featured rides.

The booths will be manned by the Jaycees. The committees have been named as follows: Concessions, Bill Chapman, Bill Early; penny pitch, Robert Carey, Tommy Hunt, Jack Lee, Roy Eisenbauch, Teddy Underhill; jewelry spindle, Joe Ford; Coke ring pitch, Marvin Franklin, Ewell Mackey, Ed Lewis; pitch 'til you win, Guy Weaver, David Casey, Howard Johnson; fishing pond, Lane Fletcher, assisting in the responsibilities

Ellis West, Neal Gleaton, Dan Truelove, Tim Jones, Coke bottle top-over, James Wright, Kenneth Jack Haraghty.

Other members who will be assisted in the responsibilities of the carnival are L. R. Brown, Bob Craig and Ray Sonnenburg.

The rides are due to move in Sept. 6 and the Jaycees will begin placing booths at this time.

Tax Rate Reduction Appears in Making for County, Road District

A reduction in tax rates for both Jones County and for Road District No. 1 appeared in the making this week as Jones County Commissioners went over the proposed budget for the new year. A public hearing on the budget has been set for Thursday, Sept. 3, at 10 a.m.

County Judge Leon Thurman said Monday that the court, along with County Auditor Card Savage, has reviewed with a critical eye all possible expenditures next year and it appears it will be possible to reduce the county rate from 74 cents to 70 cents per \$100 valuation.

To service bonds of Road District 1, the rate likely will be reduced from 29 to 25 cents.

At the conclusion of a county-wide tax revaluation program, the new total tax valuation figure stands at approximately \$31,000,000. A 70-cent rate would give the county about \$217,000 if all taxes were collected. There are other

sources of County revenue, also.

The new rate probably will be set up like this, the judge said: General fund, 40 cents; jury fund, 2 cents, down one cent; road and bridge fund, 28 cents, down 30 cents. There will be no taxes collected this year for the permanent improvement fund.

At the present time there is some \$50,000 in accumulated savings in the permanent improvement fund, looking toward providing badly needed additional office space.

Although in past years, budgets have provided for salary increase for both elected and employed personnel, no provision for raises is planned in the new budget. However, although budgets have set out increases in the last few years, no increase have been granted by the commissioners court.

Mrs. G. W. Burt of Midland is having an extended visit in Hamlin with her daughter and family because of an unfortunate accident. Mr. and Mrs. Burt came Saturday for a week end visit with Mr. and Mrs. Dan Truelove. That evening she slipped on the steps of the Truelove home and broke the large bone in her left leg. She is now hospitalized at Hamlin Memorial Hospital and will remain here for some time with her daughter after being dismissed.

WHITE PLAZA HOTEL SELLS HERE AT AUCTION

The White Plaza Hotel, owned and operated by Mr. and Mrs. D. M. White for the past fifteen and one-half years, was sold at public auction Tuesday to Sid Clay, a local carpenter-contractor.

Mr. and Mrs. White have not made any definite plans for the future but he said Tuesday he might get in some fishing.

Mr. Clay has not announced immediate plans for the Hotel.

Anna Adams Named one of Featured Twirlers at Ranger JC

Ranger Junior College band director Roger C. Martin has announced that Anna Adams of Hamlin will be one of the featured twirlers with the college band. She will be a freshman student. The sophomore twirler is Jane Spears from Clyde who will return for her second year at RJC.

Miss Adams is a 1964 graduate of Hamlin High School where she has been active in school and civic affairs.

Her memberships include Future Homemakers of America; Music Club; Library Club, for which she served as historian; band and basketball groups.

She has received honors as winner in the Make-It-With-Wool contest, for the district and area; district winner in the Vogue Sewing Contest; second place in UIL State twirling contest; Future Farmers of America district sweetheart runner-up; Piper Queen nominee; Homecoming Queen nominee; Band Sweetheart nominee.

A busy schedule further included participation in the Senior Play; West Texas State and Jones County Fair sweetheart contest this fall, and was finalist in the Hamlin Rodeo Queen contest in June.

She is the daughter of Mr. and Mrs. J. D. Adams of 621 West Lake Drive in Hamlin.

Ira A. Stevenson of Yuma, Ariz., is visiting his mother and sisters here, Mrs. D. B. Scott, Mrs. Jesse Kelly and Mrs. Odell Garrett.

ANNA ADAMS ... featured RJC twirler

PHILOSOPHER TELLS, NOT VERY SATISFACTORILY WHERE HE GETS IDEAS FOR HIS LETTERS

Editor's note: The Neinda Philosopher on his Johnson grass farm on route 1, discusses a personal matter this week. Dear editor:

A man out here the other day stopped me, well he really didn't stop me, I was already sitting down resting under a shade tree, and got to talking

and finally said he wanted to know how I get my ideas for these letters to The Herald.

"How do you do it?" he asked. "I mean, how do you know where to start and when to quit?"

Well, I'll tell you, it's simple, and I've always found it just as easy to stop as start.

You come out of the house and look around and see all the physical labor there is to do on this Johnson grass farm and confronted by that any thinking man will start thinking.

Some people don't realize we're living in critical times, have been ever since I can remember, and what's a sagging gate compared to the situation in Viet Nam? How can a man patch his roof when the Turks and Greeks may start fighting again, not that they haven't been doing it since recorded history?

How can I be bothered about cutting weeds when at the moment I don't even know who's going to be Lyndon Johnson's running mate?

I know how to get rid of the weeds, that's been discovered for hundreds of years, but who knows how to keep Russia contained?

I know some people say I ought to work harder, that the way to solve the world's problems is to start with your own, but it doesn't work out that way. Twenty-five ago I was minding my own business and looked up to find Hitler wasn't.

Working for yourself is a fine idea, but very few people achieve the goal. Most of them, the way it looks to me, spend at least half their time working for Ford and General Motors. They have 36 mos. to pay for a car, then 36 more to pay for the next one. The average life-time of the average man is now about 8 or 10 cars.

This may not explain where I get any ideas for these letters, or even if I do, but I've out-lasted my sagging gate another week. It's just like the international situation. You don't solve international problems, you just out-last them.

Yours faithfully,
J. A.

Glue Rope Ends Tight
So you don't want to take the trouble to whip the end of a rope?

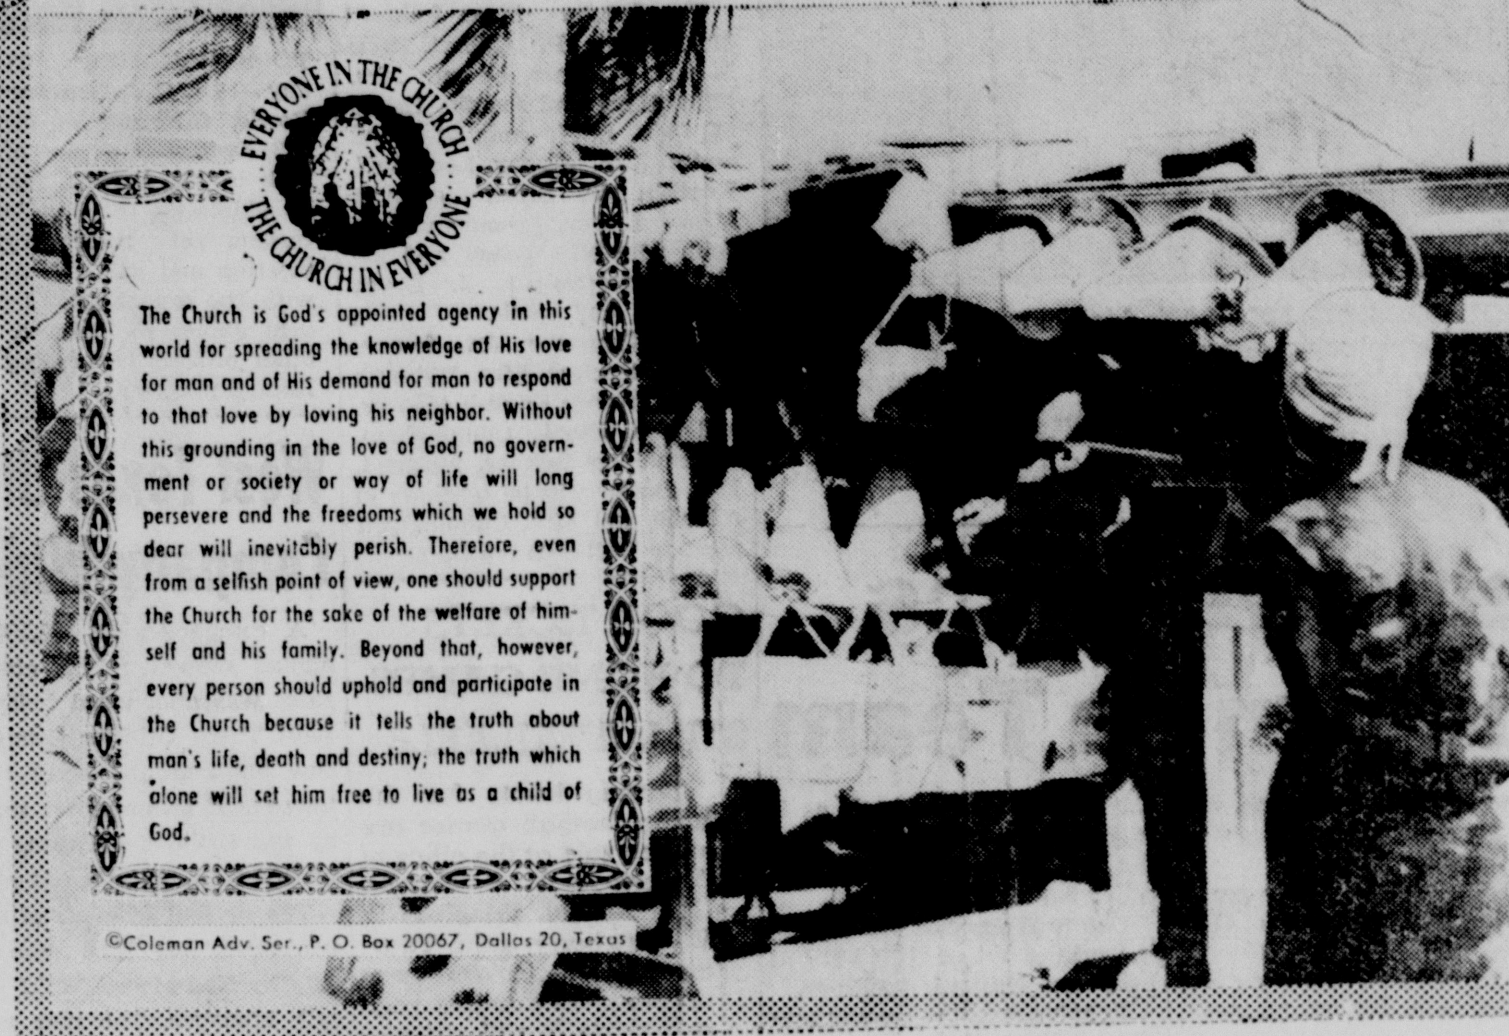

Then try soaking about three inches of the end of the line in waterproof glue. Let it dry and slice off to where the rope is tight. It never will unravel.

A HAT WOULD BE SO MUCH COOLER!

She must go to the native market for her physical needs. The straw hat would be so much better than the old scarf tied and knotted about her head. Sweet, cool air could come through that straw and that would feel so wonderful in this heat!

Where does she go for her spiritual needs? Is there a church on the island? Does she know that she will be told about a great God there who will help her, guide her, and refresh her?

How fortunate we are in this country that there is a church in every community. Spiritual help, refreshment of soul, fellowship and love awaits all who enter her doors. We invite you to attend Church this week.

Vaughan Circle Meets in Home of Mrs. E. J. Hawkins

The Vaughan Circle of the First Methodist Church met Monday at 9 a.m. in the home of Mrs. E. J. Hawkins for a program on "What a Christian Woman Reads — and When." Mrs. Earl Brown was in charge of the program and also gave the opening prayer. The business meeting was

Mrs. W. L. Boyd Honored with Dinner on 84th Birthday Sunday

Mrs. W. L. Boyd of Hamlin, was the honor guest at a dinner in the Pheasant Dining Room in Lamesa at noon Sunday celebrating her 84th birthday. The dinner came as the closing event for the family reunion. Members of the family were guests in the homes of Mrs. Boyd's son and daughter-in-law, Mr. and Mrs. Wright J. Boyd, a daughter, Mrs. Norma B. Johnson, her grandsons and their wives, Mr. and Mrs. Boyd, and Mr. and Mrs. Bill R. Johnson all of Lamesa. Her six children were hosts for the birthday dinner.

The history of the Boyd family has been one of colorful pioneering. They moved to Jones County from Arkansas in 1906 and to Dawson County in 1916. Both of these moves were made in covered wagons and Mrs. Boyd relates many interesting incidents that occurred on these trips, and of their early days in Dawson County. The Boyds moved to Trent in 1927 and to Hamlin in 1929.

Attending the reunion and birthday celebration were: Mr. and Mrs. W. L. Boyd Jr., Ken and Tommy, Van Horn; Mr. and Mrs. Jack Hagelstein, Jackie and Mary Ann, Fowler, Colorado; Mr. and Mrs. Henry Albritton, Dottie and Jan, Hamlin; Mr. and Mrs. Phil Sparkman, and Steve, Sweetwater; Mr. and Mrs. Doug Johnson, Julie and Wesley of Ft. Worth, Mrs. Westelle Whitaker, Lamesa. Lamesans attending the birthday dinner were Mrs. Ruby Newberry, Mrs. M. O. Grant, Prudence Grant, Mrs. M. C. Lindsey and Mrs. W. K. Crawley.

Capt. Donald Smith Certified as Pilot Systems Operator

TAMPA, Fla. — Captain Donald H. Smith, son of Mr. and Mrs. Hughes Smith, Morton, Tex., has been certified as a pilot systems operator in the F-4C Phantom jet at MacDill AFB, Fla. Captain Smith was upgraded after passing rigid academic and flying requirements. His squadron is a part of the Tactical Air Command, which provides firepower and other air support to U. S. Army forces. A graduate of Whiteface (Tex.) High School, he attended Texas Technological College in Lubbock. His wife is the daughter of Mrs. Jack Fletcher of Hamlin.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford

AUSTIN, Tex. — Texas Democrats and Republicans are gearing for their big clash in the November general election.

Democratic leaders are in Atlantic City, New Jersey at their party's national convention.

Gov. John Connally indicated both national and state campaign organizations will be put together in Texas soon after the convention.

Meanwhile, Republicans report they already have built an organization far stronger than any they have fielded to date. They plan to do vigorous battle in local races, as well as national and state campaigns.

GOP assembled its candidates and campaign leaders here last weekend for a special training school in practical political organization, vote-getting tactics and fund-raising activities.

OIL RISE — Texas Railroad Commission ordered a substantial increase in oil production for September.

Wells which are under production will be allowed to produce 28 per cent of their capacity during September, compared with 26.5 per cent this month.

New production quota amounts to 2,831,583 barrels daily, compared to 2,794,312 for August.

Commission also took under advisement conflicting testimony on effect of its proposed \$5,000 bond requirement for drilling or reworking wells in the interest of pollution control. Fifteen days were allowed interested parties for filing additional briefs.

APPOINTMENT ANNOUNCED — Governor Connally announced nine appointments to Trinity River Authority Board of Directors, three to San Jacinto Battlefield Commission and two to the State Board of Barber Examiners.

Reappointed to the Trinity River Board were Paul H. Cau-

Pamela Hood and William Stevens Exchange Vows

Pamela Hood, daughter of Mr. and Mrs. James E. Hood of Sylvester and William Stevens, son of Mr. and Mrs. C. Stevens of Hamlin, pledged double ring vows Saturday afternoon at the Methodist Church.

The Rev. E. L. Yeats of Roby read the nuptial vows. Music was presented by Susan Scott, pianist.

Attendants to the couple were Mr. and Mrs. Anthony Woolf of Sweetwater.

Given in marriage by her father, the bride wore a dress of white brocade taffeta fashioned with low round neckline, long sleeves and full pleated skirt. A tiara of sequins and pearls held her shoulder length veil. She wore a corsage of orchids.

Mrs. Woolf wore a suit of steel blue crepe accented with corsage of white carnations.

Reception was in Fellowship Hall.

The couple is residing at Sweetwater.

Mr. Farmer — Mr. Rancher:

A recent study in this area has resulted in an upward adjustment in our loan values making it possible, in many cases, to make larger loans. For information about a loan on your farm or ranch come in soon—let us explain the many advantages of a Land Bank loan.

A DO-IT-YOURSELF ELECTRIC SYSTEM

More than 300 years ago, Benjamin Franklin used a kite to prove that lightning is electricity.

More than 25 years ago when the rural people of this area tried to get electric service, they were told in effect to "go fly a kite."

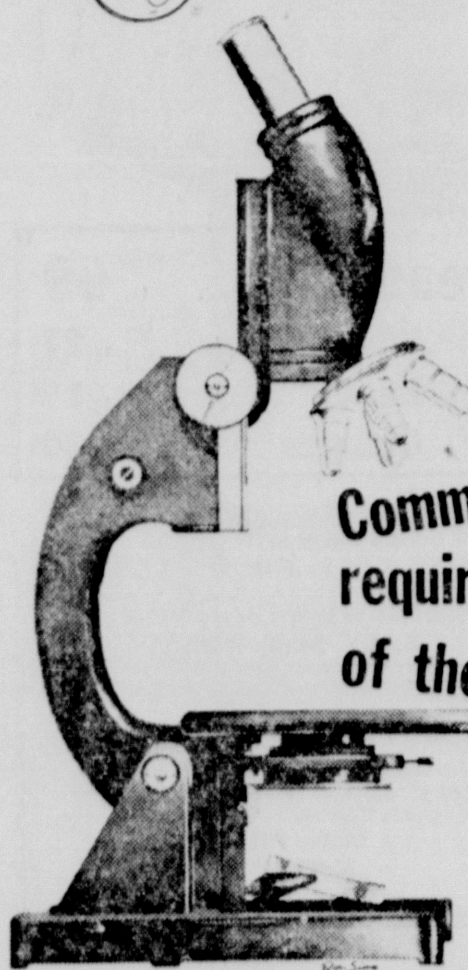

But with the same pioneering spirit that fostered our great nation, these people borrowed money at interest and built the Midwest Electric Cooperative. Midwest Electric Cooperative today is a model of efficiency and economy. This "do-it-yourself" electric system offers a dependable service second to none. The member-owners of the Midwest Electric Cooperative are at one and the same time pioneers and specialists in rural electrification. Rural electrification is good for all Texans.

MID-WEST ELECTRIC COOPERATIVE, INC.
ROBY, TEXAS

PATTERNS FOR PROGRESS

Community Development planning requires ANALYSIS of the Community Survey

Making a Community Survey of factors which influence community and economic development is the starting point for a soundly planned program.

What is done with and about such a survey is the next crucial step. We must assess and evaluate all the facts in microscopic detail, for results can come only from a thorough and realistic analysis.

We should ask ourselves... what are our advantages for economic and civic growth? How can we utilize them for community and economic development? Are there civic factors which need improvement to compete with our neighboring towns? How can we best make such improvements? And, is the entire citizenship cooperating with community organizations whose initiative and aggressive leadership can accomplish our objectives?

Analysis of a Community Survey is another PATTERN FOR PROGRESS.

WTU's area development representatives will assist growth-conscious communities in planning a thorough analysis of its Community Survey for economic development. This service is available on request through your local WTU manager.

FAIRVIEW NEWS

By MRS. ELMER JOINER

After such a hot summer everyone is really enjoying the cooler weather of the past week. The big rains we need have not come, but some rain has fallen and farmers are all busy plowing the cotton again. Looks rather foolish to be plowing in a field that is opening, but since the little weeds are covering the ground, that is about all they could do.

We are sorry to report that Raleigh Bond has been in the Hamlin Hospital, since Friday night suffering from a virus.

Quite a bit of excitement was had at the church Sunday morning when one of the ladies looked at the door and saw a colored man beckoning for someone to come out. Knowing that something must have happened, two of the ladies left Sunday School class to see what the trouble was. They learned that his car would not start and his wife had to get to the hospital, and he had walked quite a ways to the church house, to get help, as all of the neighbors were away from home. Two of the deacons immediately left and

carried him home, where they found her shoeing the stork away, so they put her in the car and made a mad dash for the Anson Hospital, arriving ahead of the old bird. We have not learned the outcome but we were glad that the worried father knew where he could find help, for he was in a desperate situation.

Mr. and Mrs. Ralph Rosamond, of Dallas, visited with her sister, Mr. and Mrs. H. L. Ford and family, Saturday.

Mr. and Mrs. Lynn Wright have been visiting in Hamlin the past week, with his parents, Mr. and Mrs. Jack Wright and brother, Mr. and Mrs. Jack D. Wright and children. He recently was discharged from the Navy.

Mr. and Mrs. Winson Gray spent Sunday with Mr. and Mrs. Woodrow Goodwin and Linda.

Mr. and Mrs. Joe Ford, Rev. and Mrs. Kenneth Leverett and girls, ate lunch with Mr. and Mrs. E. A. Henry, Sunday. Mrs. Ford reported that she even got her supper also, enjoying the day of old time hospitality.

Mrs. Woodrow Goodwin and Linda, Mrs. Runt McCoy and Kay and Mrs. Elmer Joiner, all visited with Mrs. Lois Hampton, Friday afternoon, in the Crestview nursing home, south of Abilene. Mrs. Hampton enjoys cards and letters very much, and her address is: Crestview Nursing Home, Route 5, Box 226F, Abilene, Texas.

Mr. and Mrs. Elmer Joiner attended funeral services in Stamford, last Monday afternoon, for his cousin, Ben Edge, of that city. Mr. Edge was found dead in bed, early Sunday morning, by his wife, apparently having had a heart attack, since he had suffered from a heart ailment for many years.

Some from out our way also attended funeral services at Neinda, last Wednesday, for Dottie Brown, a long time resident of that place. Dottie was the last of the three invalid

children, that Mrs. Brown had tended so faithfully these many years, until she could no longer stand up to it and had to put Dottie in a nursing home. But her prayers were answered that she would be permitted to outlive the three, this being five children she has buried, having five living. Mr. Brown passed away several years ago.

Mr. and Mrs. Hap Ray, Anson, spent Sunday with Mr. and Mrs. Elmer Joiner.

Mr. and Mrs. J. E. Boyd and son, Don, of Snyder, visited with her sister, Mr. and Mrs. E. A. Henry, Sunday.

Mr. and Mrs. Joe R. Rosenbaum, Pampa, have been visiting with his parents, Mr. and Mrs. Fred Rosenbaum.

The nominating committee, of the church, met in the home of the Elmer Joiners, Friday night, followed by a deacon meeting, killing two birds with one stone.

Mr. and Mrs. Joe Bonds Jr., have been in east Texas, for some time where he is working. Family night will be held Wednesday night, at the park, with an ice cream supper, weather permitting.

'Will' Barley Shows Promise for This Area Says Agent

"Will" barley which was developed by the Oklahoma Agricultural Experiment Station, shows lot of promise in Texas from the Temple area north to the Red River and Panhandle areas, according to information this week from County Agent, Kirby Clayton.

"Will" barley was selected from a cross of Rogers and Kearney and is similar in many ways. The new variety is green bug resistant and more winter hardy than Rogers. It is moderate height, has good straw

strength, is resistant to mildew, but susceptible to rust. It has produced some outstanding yields in recent Texas tests. "Will" barley is winter hardy and in test at Iowa Park, 99% of the stands survived the cold, compared to 20% survival for Cardova. "Will" barley is recommended in areas of Texas where Cardova and Rogers may be lost from winter killing, says Clayton.

Foundation seed are available from College Station and Hereford, Texas to certified small grain seed producers.

Capt. T. M. Garland Taking Part in Two Week Training

FORT POLK, LA. — Army Reserve Capt. Thomas M. Garland, son of Thomas H. Garland, Hamlin, and other members of the 980th Engineer Battalion are participating in two

weeks annual field training at Fort Polk, La., ending Aug. 30.

Captain Garland is undergoing extensive construction training under simulated combat conditions.

He is regularly assigned as a supply officer with the 980th Engineer Battalion, an Army Reserve unit in Wichita Falls.

The captain is employed as a petroleum engineer by the Bureau of Mines in Wichita Falls. He was graduated from Texas Technological College, Lubbock, in 1950.

Captain Garland and his wife, Gladys, live at 3506 Cumberland, Wichita Falls.

Small 'John' Boats Gaining In Popularity

By VERN SANFORD

The flat bottom boat is nothing new. Under the name of skiff or pram it has been around for ages.

In Arkansas a good many years ago someone dubbed it the john boat and that name has stuck. No one knows exactly where the name originated. But it serves its purpose well.

In most of Texas about the only flat bottom boats are homemade affairs. Usually they are built for river use. Generally they are constructed of 1x12, caulked with a heavy application of tar on the inside and covered with green muck on the outside. They are the kind you find tied up under an overhanging willow on the river bank.

Now, however, the john boat, flat-bottom or square-end, as you might prefer to call it, is coming into its own in Texas.

You'll find most of them in East Texas. They are numerous on such lakes as Caddo, Texarkana and Lake o' the Pines.

The john boat is an easy boat to handle. It can be transported on top of the car without too much trouble.

Today john boats are being made in both aluminum and fiberglass. Weights are about the same, usually slightly more than 100 pounds. Two men can handle one on top of a car, with relative ease. Especially the 12-foot models, which are lighter.

Most practical and popular john boat is the 14-footer. However, in Arkansas they use a great many of the 16 to 20 foot length for float fishing.

In fact, the 16-footer is almost a standard item on Arkansas streams. They have plenty of beam and ample freeboard. And they can be powered by comparatively light motors.

The john boat has ample space for carrying a duffle bag, an ice box and comfortable swivel seats for the fishermen. Three men can fish in comfort from one of these longer boats.

On East Texas lakes, however the 12 and 14-foot boats are the most practical. In fact, they are ideal for the diversified fisherman—the man who doesn't care too much what kind of fish he catches.

One big advantage in these car-toppers is that they can be hauled right to the bank of the lake or stream, thereby eliminating long rides across open water. If you know where there is a good tree-top expanse of water you can drive up to the shoreline, slide the boat in the water, and with a small motor be in your fishing spot in a matter of minutes.

After you reach your destination manipulation of the john boat is simple, although perfection takes considerable practice and experience.

I like to watch experts fish from these boats. They sit in the front end of the boat and with a short paddle and a stirring motion, move the boat along from tree to tree with the greatest of ease.

Most of these fishermen use a comparatively short cane pole rigged up with a line slightly shorter than the pole, they use two hooks. One may be baited with a minnow, another with a worm or a cricket.

They move up to a brush pile or a tree stump protruding from the water, drop the hook to the bottom and jiggle the bait a couple of times. If there is a fish around it usually he's pretty quick. If not, the fishermen quietly moves on to another location.

These fishermen do not bother to string their catch. Most of them have wire baskets hanging over the sides of their boats. They drop the fish into these baskets.

In the course of a day they will get a mixed assortment of fish. Some will be bass, others large bream and crappie. Occasionally they'll pull up a good catfish or two.

This is an economical way to fish. Initial price of the boat is comparatively small. A 3-hp motor is ample and it doesn't cost too much. With a car-top boat, no trailer is involved.

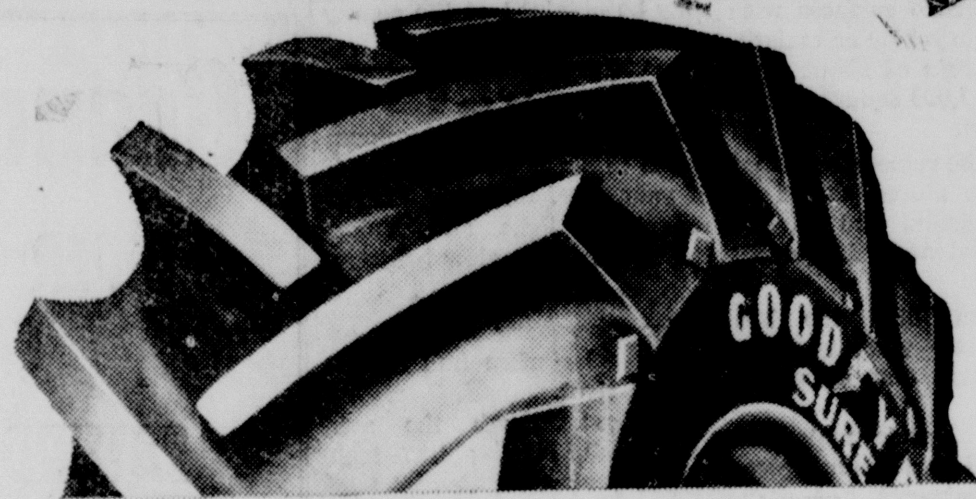

Not only is transportation of the john boat simple, but so is its storage.

It can be suspended from the ceiling of your garage, completely out of the way. Then when needed, all you have to do is lower it on top of your car and tie it securely to your luggage rack.

John boats make excellent auxiliary boats. As such they certainly have earned their place in Texas.

NEWS FROM COUNTY AGENT—

Suggestions on Storing Grain To Avoid High Insect Losses Given

By: Kirby Clayton
Stored grain insects inflict enormous losses upon grain producers each year, reports Jones County Agent Kirby Clayton. Insects destroy an estimated two percent of the nation's farm-stored grain each month.

Among the most destructive stored grain insects in Texas, says Clayton, are rice or corn weevils, lesser grain borers and Angoumois grain moths.

Protection against these pests is begun by storing grain

only in bins that have been thoroughly cleaned, he pointed out. Old grain, trash, feed sacks and other debris that furnish living quarters for insects should be removed. Cocks should be covered to prevent rain from collecting, and grain and other material beneath and near the bins should be destroyed.

After cleaning, says Clayton, spray the inside surfaces with either methoxychlor or malathion at the rate of about two gallons per 1,000 square feet of surface area.

It should be remembered that grain to be stored should be clean and sound and have a moisture content of 12 percent or less.

Also, when filling the bin, allow adequate working space for fumigation and inspection of grain.

Premium grade malathion may be used as a grain protectant on wheat, oats, rice, corn, rye, barley, grain sorghums, peanuts and field or garden seeds. It can be applied as a dust or spray at the time the grain is being placed in final storage.

Several liquid fumigants are effective in killing weevils and beetles which feed below the grain surface, Clayton says. Some of these include ethylene dichloride, carbon tetrachloride and carbon disulphide (Hi-Life).

Before fumigating, spray the outside of the bin with a residual spray such as malathion to kill insects that may be forced out of the building by the fumigant. Clayton advises that the bin be made as tight as

possible before fumigation and that the grain surface be leveled to insure even penetration.

Fumigants when applied properly, will penetrate grain and in most cases kill all stages of insects to a depth of 10 to 12 feet. Best results are obtained if fumigants are applied when the air is calm.

Since fumigants are dangerous, precautions listed on the manufacturers label should be followed carefully, warns Clayton. When applying fumigants, always work with someone who can assist you in case of an accident or excessive exposure.

Additional information on the control of stored grain insects may be obtained at the county agent's office.

More Light for Tent

Another use for aluminum foil is to pin it across the back of your tent. Its shiny surface reflects the light and makes the tent lantern glow brighter.

Emergency Rivet

For emergency repairs, an empty .22 rimfire hull makes a good rivet.

Just cut through the soft brass hull, leaving 1-17 inch length protruding through the material you want to rivet. Then insert a ball bearing or rock just slightly larger than the shell size and tap several raps with a hammer to expand the end.

For Clear Windshield

A bottle of any kind of carbonated "cola" drink poured on your windshield will keep road film off for hours.

OLD GLORY...

By Judy White

Several Old Glory relatives attended the funeral of Mrs. A. G. (Erna) Aurich, 77, lifetime resident of New Ulm, Texas, except for the last three years which she spent in a nursing home in Houston where she died Wednesday night of a cerebral hemorrhage. Services were held in St. Johns Lutheran Church in New Ulm and burial was in the New Ulm Cemetery. She was preceded in death by her husband and her parents the late Mr. and Mrs. Wm. Klump of Old Glory and also in November of 1963 by her son Bertrum and July 1964 by her brother Hugo Klump. Survivors include a daughter, Mrs. Otto Kreniew of Houston, a son Kermit of Dallas, 2 sisters Mrs. W. G. Wienke and Mrs. Tillie of Old Glory; 2 brothers, Leo Klump of Bellville and Ben Klump of Old Glory.

Those attending the funeral from Old Glory were Mrs. W. G. Wienke, Mrs. G. F. Spitzer, Mrs. Bernice White and Judy, Mrs. Tillie Dippel, Mr. and Mrs. Ben Klump and Mr. Cecil Klump.

Mr. Roy Wienke visited several days with Mr. and Mrs. W. G. Wienke, his parents.

Mr. and Mrs. Raymond Gerloff and Mrs. Pauline Fuqua visited Mrs. Katy Gerloff Sunday.

4-H'ERS WIN IN DISTRICT
Stonewall County 4-H'ers entered 37 Junior and 11 Senior Records in District competition. The Junior Records will be judged at a later date.

The Senior Records were judged last week and winners were as follows:

First places: Brenda Dalby, Health; Carolyn Sander, Leadership; and Perry Workman, Swine.

Second Place: Butch Martin, Nancy Vahlenkamp and Judy White.

Other entering Senior Records not placing were: James Branch, Jackie Sanford, Marvin Vahlenkamp, Mike Baldree, and Billie Ann Vahlenkamp.

There were 106 Records entered in District 3-22-County Area. All firsts will be judged for State Competition Sept. 15.

Old Glory Girls 4-H

The Old Glory Girls 4-H Club met in the home of Mrs. Benice White on Tuesday of last week. The group elected their club officers for next year. Those elected were as follows: Stephanie Letz, vice president; Judy White, secretary; Reva Letz, treasurer; Judy Sander, reporter; Recreational leader will be Carolyn Sander to be assisted by Sandra Henderson and Carol Palmer; Regina Letz, historian; Rita Baldree, Parliamentarian; Brenda Palmer, Lynn Palmer and Cynthia Boles were selected for the foods committee.

The group discussed plans for erection of a 4-H Club welcome sign for the Old Glory Community. Rita Baldree and Brenda Palmer served refreshments at the meeting.

On Thursday of last week the girls attended a swimming party and picnic at Haskell Park. They were accompanied by Mrs. Oran Baldree and Normanda Sander.

Boys 4-H News

The Old Glory Junior 4-H boys and their mothers met at the school on Aug. 13 and went on to Haskell for a swimming party.

Those present were Jimmy Leverett, Kenneth Jones, Herbie Woodbridge, Reeve Letz, Weldon Spitzer, Russell Letz, Dewey Dudensing, Dale Letz, Cody Bridges, Johnny Garner, and also adult leaders, Mrs. Hazel Letz, Mrs. Jack Jones and six mothers. Watermelon was served and a good time was enjoyed by all.

Robinson - Terrell

Nancy Robinson, daughter of Mr. and Mrs. R. D. Robinson of Old Glory, and John Terrell pledged wedding vows on Saturday evening, Aug. 15 at the Aspermont Church of Christ. Jim Strait officiated.

The bride was given in marriage by her father. She wore a white street length dress with full gathered skirt and lace

over blouse, and carried a bouquet of white carnations.

Mrs. Jack Thomason was matron of honor and Jack Gore was best man. James Robinson, brother of the bride and Bob Hunt of Old Glory were ushers.

Only members of the family and close friends attended.

Michael Vanderworth of Denver, Colo., is here visiting his grandparents, Mr. and Mrs. Charlie Letz and Mr. and Mrs. Oscar Vanderworth. Michael is the son of Mr. and Mrs. O. D. Vanderworth.

Mrs. R. O. Gibson is in the Stamford Hospital. We wish her a speedy recovery.

Sharon Leverett, a student at A.C.C., is at home visiting her parents Mr. and Mrs. V. R. Leverett.

Among those attending the Church of Christ on Sunday night were Mrs. Iva McBroom of Haskell, Vernon McBroom, Beeville, Mr. and Mrs. James Rossos, Monahans; and David Henders of Levittown, Pa. They are all members of the McBroom family who lived here for many years, and had been attending a family reunion at Haskell over the week end.

Old Glory School will open on Monday, Aug. 31 with a new superintendent.

J. L. South, who is replacing V. R. Leverett, as superintendent has announced that students will register and go through a schedule of classes on Monday.

Mrs. V. R. Leverett, who worked as county home demonstration agent in Haskell last year will be returning to teach 3rd and 4th grade. Mr. Bill Wright of Guthrie will be joining the staff as the new math teacher.

Other faculty members are Mr. and Mrs. T. E. Pritchard, Mrs. Cecil Klump, Miss Betty Sadberry, Jerry Johnston and Mrs. Travis Bell.

Bill Wright and Jerry Johnston will be bus drivers, and B. R. Johnson, will be bus mechanic. L. B. Boles will continue as custodian and Mrs. Aaron House lunchroom supervisor.

Mrs. Lynn Flowers visited with her sister, Mrs. W. H. Hargrove in Stamford last Sunday.

HOSPITAL NOTES

Patients in the Hamlin Memorial Hospital Wednesday were: Mrs. S. J. Stephens, Mrs. E. L. Yates, Mrs. A. B. Barnett, Mrs. M. T. York, M. A. Drummond, V. R. Bond, Mrs. G. W. Burt, J. C. Peters, Severino Nambrano, Bill Ervin, Rev. Sam King, G. D. Wright, Vernon Stewart, W. J. Martin, Morris Jean, Gladys Ashburn, Mrs. O. H. Fraser, Mrs. Irene Graham, Mrs. A. F. Winters, Mrs. J. E. Patton, H. D. Stalleup, J. E. Crow Sr., Mitzi Dunham, Mrs. A. G. Jones, Mrs. G. M. Bond, Mrs. Cora Goldsmith, R. B. Boyd, G. H. Haggard, Ernestine Dunaway, Mrs. H. C. Carr, Mrs. L. B. McMeans, Mrs. Eugene Wilcox.

Soviet secondary schools are graduating 1,500,000 students per year as against 1,300,000 in the U. S.

GETTING READY FOR SCHOOL OPENING MONDAY—Members of the Hamlin Pep Squad have been busy this week placing decorations in the halls of the high school getting ready for the first day of school Monday. The girls were assisted by two members of the Pied Piper Football team Tuesday. Pictured, on the ladder, are left to right, Helen Moore, cheerleader; Barbara Graham, head majorette; Robert Pearce, Nancy Ford, head cheerleader; Larry Simpson, Pat Pope, majorette; Sandra Fudge, majorette and Shelia Stone, cheerleader.

Coach Andrews Gives Lions Rundown on Team

The Pied Pipers will play Clyde here tonight in a practice game at 7:45, according to Coach D. C. Andrews. This will be the only practice game the team will play this year because of a change in League rules.

Andrews and his assistants were guests of the Hamlin Lions Club Tuesday at their noon luncheon at which time he gave the members a brief run down on the team's personnel.

He explained the team's new Flip-Flop, Wing T type offense to the club and said that is built around the abundance of good receivers that the club has this year.

He said that the fans may be a little confused at the start of the season because of the flip-flop in the line. He explained that the boys who play on the split side of the line will play there whether the split is on the right or the left. The boys in the line will not play on the left or the right side of the line but will play on the strong side or the weak side. In explaining the weak side he stated that did not mean the weaker boys but that it referred to the fact that with the end split out from three yards to the side line there would be only two boys next to the center.

In going over his personnel with the club members he listed Mike Shivers, 170, at the split end position. Shivers was named All-District and All-Area end last year and Andrews said that he is an excellent pass receiver and a good runner and that the split end part of the formation was designed to take advantage of his abilities.

At the weak side tackle position the coaches are running Pat Batchelor, 178 pounds, and Robert Allen, 203 pounds. He said that Allen would probably see more defensive action than offensive action.

At the weak side guard position he listed Larry Simpson, a 160 pound transfer from Abilene who played on the B team last year until he became eligible for the varsity this year. He will be used as a pulling guard to block on the strong side of the line.

At center is George Bonds who weighs 185 pounds and saw action last year at this position.

At the strong side guard position is Dan Bruner, at 150 pounds, and at strong side tackle is Charles Prewitt, at 180 pounds. Filling in at both of these positions is Bill Kitchen at 173 pounds.

At the tight end position will be James Ledbetter, the only

junior in the starting line, who is a good blocker and a fine pass receiver.

Playing at the newly created wing back position is Allen Cumbie at 140 pounds. He will play just outside the tight end position and will double team block with the end. He also is a fine receiver and will run the reverse plays from this position.

At quarterback will be Johnny Overman, a starter back from last year at 160 pounds, and Tommy Ferguson, a 165 pound junior, who can also play at the wingback position and at end.

Robert Compton at 155 pounds is running at the fullback position. And at halfback will be Robert Pearce who the coach says can do everything, he throws, runs, catches, kicks and is a good defensive player. In the new type offensive the team will be running this year

the fullback, or tailback as it is sometimes called, will carry the ball twice as much as any other boy in the backfield.

Danny Warner at 150 pounds is working out at both the full back and halfback positions.

In going over the coming season with the Lions, Andrews said that the boys will face as strong schedule as he has seen and that he did not expect to win all of the games, but he hoped that they did not lose all of them either.

Andrews said that with their limited size and the abundance of good pass receivers he expected to pass a lot this year and that with the new formation he expected to run lots of sweeps.

Andrew's assistants who were introduced to the club are Sam Walker, Jerry Larned, Dan Truelove, and Grady Allen. Lester Minton introduced the program.

Tax Rate Reduction Appears in Making for County, Road District

A reduction in tax rates for both Jones County and for Road District No. 1 appeared in the making this week as Jones County Commissioners went over the proposed budget for the new year. A public hearing on the budget has been set for Thursday, Sept. 3, at 10 a.m.

County Judge Leon Thurman said Monday that the court, along with County Auditor Card Savage, has reviewed with a critical eye all possible expenditures next year and it appears it will be possible to reduce the county rate from 74 cents to 70 cents per \$100 valuation. To service bonds of Road District 1, the rate likely will be reduced from 29 to 25 cents.

At the conclusion of a county-wide tax revaluation program, the new total tax valuation figure stands at approximately \$31,000,000. A 70-cent rate would give the county about \$217,000 — if all taxes were collected. There are other sources of County revenue, also.

The new rate probably will be set up like this, the judge said: General fund, 40 cents; jury fund, 2 cents, down one cent; road and bridge fund, 28 cents, down 30 cents. There will be no taxes collected this year for the permanent improvement fund.

At the present time there is some \$50,000 in accumulated savings in the permanent improvement fund, looking toward providing badly needed additional office space.

Although in past years, budgets have provided for salary increase for both elected and employed personnel, no provision for raises is planned in the new budget. However, although budgets have set out increases in the last few years, no increase have been granted by the commissioners court.

Mrs. G. W. Burt of Midland is having an extended visit in Hamlin with her daughter and family because of an unfortunate accident. Mr. and Mrs. Burt came Saturday for a week end visit with Mr. and Mrs. Dan Truelove. That evening she slipped on the steps of the Truelove home and broke the large bone in her left leg. She is now hospitalized at Hamlin Memorial Hospital and will remain here for some time with her daughter after being dismissed.

er sources of County revenue, also.

The new rate probably will be set up like this, the judge said: General fund, 40 cents; jury fund, 2 cents, down one cent; road and bridge fund, 28 cents, down 30 cents. There will be no taxes collected this year for the permanent improvement fund.

At the present time there is some \$50,000 in accumulated savings in the permanent improvement fund, looking toward providing badly needed additional office space.

Although in past years, budgets have provided for salary increase for both elected and employed personnel, no provision for raises is planned in the new budget. However, although budgets have set out increases in the last few years, no increase have been granted by the commissioners court.

Mrs. G. W. Burt of Midland is having an extended visit in Hamlin with her daughter and family because of an unfortunate accident. Mr. and Mrs. Burt came Saturday for a week end visit with Mr. and Mrs. Dan Truelove. That evening she slipped on the steps of the Truelove home and broke the large bone in her left leg. She is now hospitalized at Hamlin Memorial Hospital and will remain here for some time with her daughter after being dismissed.

Three Teachers Added to Staff At DePriest

The faculty of Oscar DePriest School was completed last week with the hiring of three new teachers.

New teachers on the staff include Mrs. Mary E. Esco formerly a teacher here about two years ago and more recently from Nachagdoches. Also Charles O. Stine of Tyler and Billy M. Lewey of Abilene.

The faculty is as follows: Mrs. Dollye P. Gilbert, first; Mrs. I. J. Starr, second; Mrs. Esco, third and fourth; Bobby C. Cain, music and fifth and sixth; Mrs. Jimmy Lee Huff, English; Mr. Stine, science; Miss Lewey, homemaking; John Mayfield, coach and social science; Mr. I. J. Starr, principal and math.

Dee Waggoner Jr. former science teacher, Mrs. Wilmoth Butler, former English teacher, and Mrs. Ethel Cunningham, homemaking teacher, resigned. Mrs. Butler will be teaching in Abilene and Mrs. Cunningham went to Dallas to teach.

GOOD TICKETS TO HOME GAMES STILL AVAILABLE

Season tickets for the home football games are still on sale at the office of the principal at Hamlin High School. Principal B. V. Newberry said Tuesday that there are more tickets available this year and there is still a large selection of good seats.

The five home games are: Rotan, Sept. 4; Post, Sept. 19; Homecoming; Ballinger, Oct. 9; Winters, Nov. 6; and Anson, Nov. 13.

Rites Held Here For Henry Fisher

Funeral services for John Henry Fisher, 86, of Haskell were held there Tuesday Aug. 18, at 4 p.m. in the Church of Christ on Ave. A. Burial was in Willow Cemetery.

Mr. Fisher had lived here for some time with his daughter, Mrs. Hazel Sneed, and was making his home with another daughter, Mrs. Lillian Bagley in Haskell at the time of his death Aug. 15.

He was a farm laborer. He had been under treatment for a heart condition.

Other survivors include his wife, Ella May of California; 11 daughters, Mrs. Roberta Smith of Goree, Mrs. Elberta Chapman, Mrs. Gertrude Nichols, both of Houston, Mrs. Clonie Leaks of Waco, Mrs. Bagley, Maggie Lewis, Mrs. Johnnie Mae Allen, both of Phoenix, Ariz., Mrs. Helen Battle of Cal. Stella Bailey of Denver, Colo., Mrs. Viola Williams of Dallas, Mrs. Sneed of Hamlin; one son Willie P. Fisher of Tucson, Ariz.

Albrittons Take First in Bridge

Mr. and Mrs. Henry Albritton were first place winners at the Tuesday evening meeting of the Hamlin Duplicate Bridge Club. Second place honors went to Mr. and Mrs. Grady Bowdry of Stamford and third was earned by Mrs. Don Gallagher and Mrs. Gene Knabel.

The club meets each Tuesday evening at 7 p.m. at the Oil Mill Guest House.

P-TA SETS OPENING MEETING FOR SEPT. 4

The opening meeting of the Hamlin Parent-Teachers Association will be held Thursday, Sept. 4, at 7:30 p.m. in the primary cafeteria.

The meeting will include a get-acquainted period for teachers and parents.

TO SPEAK HERE TUESDAY — Dr. C. J. Dodsworth of Bowie, Governor of district 579, Rotary Club, one of 40 club in his district. He will be addressing the Hamlin Rotarians at their regular meeting and will also confer with the organization's president James E. Rodgers, and other officers concerning the Rotary program.

West Texas Utilities Announces Company-Wide Rate Reductions

A company-wide \$1,100,000 annual reduction in electric rates was announced today by West Texas Utilities Company. One hundred and sixty three towns and communities served by the Utilities Company will benefit from the rate reduction.

The revised schedule of electric rates was filed with the City by Ned Moore, WTU (Local) Manager. The new rates will be effective with meter readings made after August 31, 1964.

These new rate schedules result from a reduction in the Company's income taxes due to recent changes in the federal income tax rates and the increased usage of electricity by present customers, together with greater company operating efficiencies and economies.

"These rate reductions," Si Phillips, WTU President said, "are evidence of our policy of reducing the cost of service to customers whenever we can. The \$490,000 direct reduction in our federal income taxes, plus the improved operating efficiencies of new generating equipment we have recently put into service, as well as the new facilities now under construction,

County Receives Reaccreditation as Tuberculosis Area

Dr. R. G. Garrett, Executive Director of the Texas Animal Health Commission, announces the reaccreditation of Jones County as a Modified Accredited Tuberculosis Area.

County Agent, Kirby W. Clayton, has received the certificate which is good for six years.

"This Commission wishes to express its appreciation to the people of Jones County for the splendid cooperation extended to its representatives while work was being conducted in Jones County; and requests the further cooperation of the citizens of the area to maintain the tuberculosis status of the county," Dr. Garrett, said.

Winters Knocks Rebels Out of Meet

Winters beat the Hamlin Rebels Saturday morning in the Abilene Tournament 2-0. San Angelo came from behind in the last inning to beat the Rebels 10-3 and put them out of the tournament.

Zoan Winegeart was named to the all-tournament team.

Mrs. Cove Pritchard was named to the Robert Lee all-tournament team.

Mr. and Mrs. James Dalton Young of Anson are the parents of a baby boy born Aug. 20. He weighed 1/2 lb. 6 oz. and was named Destry Reine.

School to Start Here Monday

Last minute preparations for the opening of school are now underway as teachers and students get ready for the fall term which begins Monday, Aug. 31.

This week decorations were placed at the high school building by the Pep Squad set the stage for a spirited opening.

Pre-registration in Hamlin High School indicates a new high in enrollment. Following pre-registration last week 253 students were included in the four top grades. Principal B. V. Newberry said Tuesday that about 20 more are expected to be enrolled at the opening of classes.

Freshmen lead the classes with 72 while the junior class is next with 66 members. The

sophomore class has 63 students and the senior group numbers only 52.

Superintendent C. F. Cook said this week that all employees of the school system had been hired.

Jaycees Set Date For Carnival

Dates for the annual Jaycee Carnival have been announced for Sept. 9-12 according to C. R. Dansby, president of the Hamlin Junior Chamber of Commerce. The carnival will be held at the corner of Southwest Third and Avenue A on the Farmers and Merchants National Bank parking lot.

Dewey Nunley was named carnival chairman. He said the Octopus, Loop-O-Plane, Caze Wheel, airplanes and ponies would be the featured rides.

The booths will be manned by the Jaycees. The committees have been named as follows: Concessions, Bill Chapman, Bill Early; penny pitch, Robert Cary, Tommy Hunt, Jack Lee, Roy Eisenbauch, Teddy Underhill; jewelry spindle, Joe Ford; Coke ring pitch, Marvin Franklin, Ewell Mackey, El Lewis; pitch 'til you win, Guy Weaver, David Casey, Howard Johnson; fishing pond, Lane Fletcher, assisting in the responsibilities Ellis West, Neal Gleaton, Dan Truelove, Tim Jones, Coke bottle top-over, James Wright, Kenneth Jack Harughy.

Other members who will be assisted in the responsibilities of the carnival are L. R. Brown, Bob Craig and Ray Sonnenburg.

The rides are due to move in Sept. 6 and the Jaycees will begin placing booths at this time.

Anna Adams Named one of Featured Twirlers at Ranger JC

Ranger Junior College band director Roger C. Martin has announced that Anna Adams of Hamlin will be one of the featured twirlers with the college band. She will be a freshman student. The sophomore twirler is Jane Spears from Clyde who will return for her second year at RJC.

Miss Adams is a 1964 graduate of Hamlin High School where she has been active in school and civic affairs.

Her memberships include Future Homemakers of America; Music Club; Library Club, for which she served as historian; band and basketball groups.

She has received honors as winner in the Make-It-With-Wool contest, for the district and area; district winner in the Vogue Sewing Contest; second place in UIL State twirling contest; Future Farmers of America district sweetheart runner-up; Piper Queen nominee; Homecoming Queen nominee; Band Sweetheart nominee.

A busy schedule further included participation in the Senior Play; West Texas State and Jones County Fair sweetheart contest this fall, and was finalist in the Hamlin Rodeo Queen contest in June.

She is the daughter of Mr. and Mrs. J. D. Adams of 621 West Lake Drive in Hamlin.

Ira A. Stevenson of Yuma, Ariz., is visiting his mother and sisters here, Mrs. D. B. Scott, Mrs. Jesse Kelly and Mrs. Odell Garrett.

PHILOSOPHER TELLS, NOT VERY SATISFACTORILY WHERE HE GETS IDEAS FOR HIS LETTERS

Editor's note: The Neinda and finally said he wanted to know how I get my ideas for these letters to The Herald.

"How do you do it?" he asked. "I mean, how do you know where to start and when to quit?"

Well, I'll tell you, it's simple, and I've always found it just as easy to stop as start.

You come out of the house and look around and see all the physical labor there is to do on this Johnson grass farm and confronted by that any thinking man will start thinking.

Some people don't realize we're living in critical times, have been ever since I can remember, and what's a sagging gate compared to the situation in Viet Nam? How can a man patch his roof when the Turks and Greeks may start fighting again, not that they haven't been doing it since recorded history?

How can I be bothered about cutting weeds when at the moment I don't even know who's going to be Lyndon Johnson's running mate?

I know how to get rid of the weeds, that's been discovered for hundreds of years, but who knows how to keep Russia contained?

I know some people say I ought to work harder, that the way to solve the world's problems is to start with your own, but it doesn't work out that way. Twenty-five ago I was minding my own business and looked up to find Hitler wasn't.

Working for yourself is a fine idea, but very few people achieve the goal. Most of them, the way it looks to me, spend at least half their time working for Ford and General Motors. They have 36 mos. to pay for a car, then 36 more to pay for the next one. The average life-time of the average man is now about 8 or 10 cars.

This may not explain where I get any ideas for these letters, or even if I do, but I've out-lasted my sagging gate another week. It's just like the international situation. You don't solve international problems, you just out-last them.

Yours faithfully,
J. A.

Glue Rope Ends Tight

So you don't want to take the trouble to whip the end of a rope?

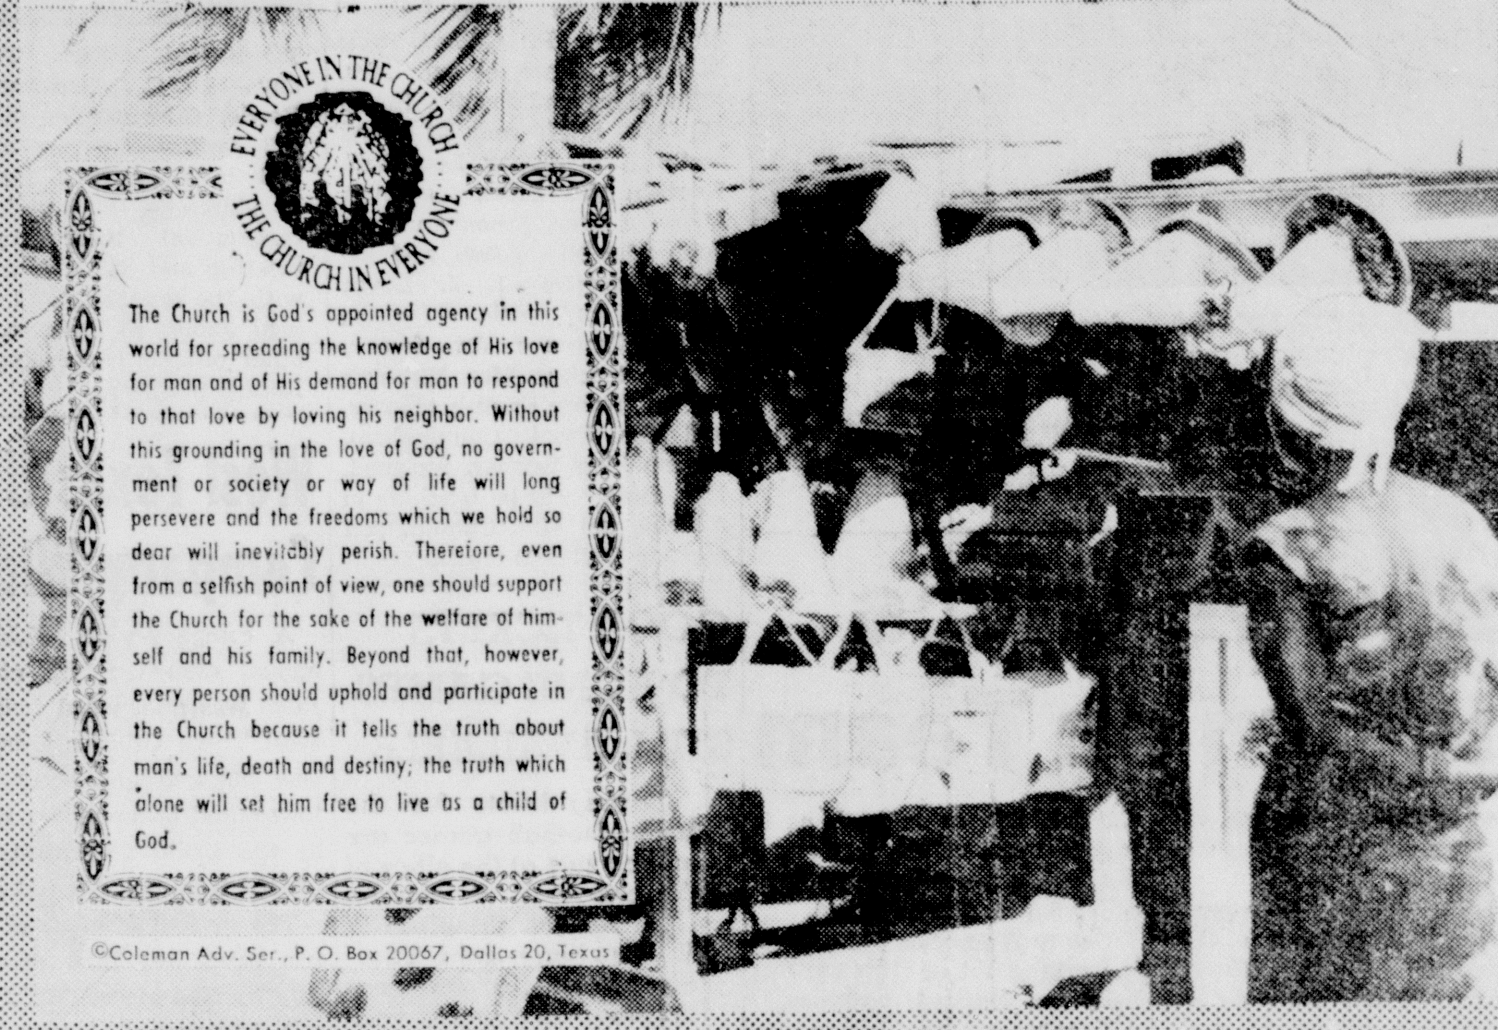

Then try soaking about three inches of the end of the line in waterproof glue. Let it dry and slice off to where the rope is tight. It never will unravel.

A HAT WOULD BE SO MUCH COOLER!

She must go to the native market for her physical needs. The straw hat would be so much better than the old scarf tied and knotted about her head. Sweet, cool air could come through that straw and that would feel so wonderful in this heat!

Where does she go for her spiritual needs? Is there a church on the island? Does she know that she will be told about a great God there who will help her, guide her, and refresh her?

How fortunate we are in this country that there is a church in every community. Spiritual help, refreshment of soul, fellowship and love awaits all who enter her doors. We invite you to attend Church this week.

Vaughan Circle Meets in Home of Mrs. E. J. Hawkins

The Vaughan Circle of the First Methodist Church met Monday at 9 a.m. in the home of Mrs. E. J. Hawkins for a program on "What a Christian Woman Reads — and When." Mrs. Earl Brown was in charge of the program and also gave the opening prayer. The business meeting was

Mrs. W. L. Boyd Honored with Dinner on 84th Birthday Sunday

Mrs. W. L. Boyd of Hamlin, was the honor guest at a dinner in the Pheasant Dining

conducted by Mrs. Jack Vaughan, circle chairman.

The hostess served cake and coffee to eight members.

Room in Lamesa at noon Sunday celebrating her 84th birthday. The dinner came as the closing event for the family reunion. Members of the family were guests in the homes of Mrs. Boyd's son and daughter-in-law, Mr. and Mrs. Wright J. Boyd, a daughter, Mrs. Norma B. Johnson, her grandsons and their wives, Mr. and Mrs. Boyd, and Mr. and Mrs. Bill R. Johnson all of Lamesa. Her six children were hosts for the birthday dinner.

The history of the Boyd family has been one of colorful pioneering. They moved to Jones County from Arkansas in 1906 and to Dawson County in 1916. Both of these moves were made in covered wagons and Mrs. Boyd relates many interesting incidents that occurred on these trips, and of their early days in Dawson County. The Boyds moved to Trent in 1927 and to Hamlin in 1929.

Attending the reunion and birthday celebration were: Mr. and Mrs. W. L. Boyd Jr., Ken and Tommy, Van Horn; Mr. and Mrs. Jack Hagelstein, Jackie and Mary Ann, Fowler, Colorado; Mr. and Mrs. Henry Albritton, Dottie and Jan, Hamlin; Mr. and Mrs. Phil Sparkman, and Steve, Sweetwater; Mr. and Mrs. Doug Johnson, Julie and Wesley of Ft. Worth, Mrs. Westelle Whitaker, Lamesa. Lamesas attending the birthday dinner were Mrs. Ruby Newberry, Mrs. M. O. Grant, Prudence Grant, Mrs. M. C. Lindsey and Mrs. W. K. Crawley.

Capt. Donald Smith Certified as Pilot Systems Operator

TAMPA, Fla. — Captain Donald H. Smith, son of Mr. and Mrs. Hughes Smith, Morton, Tex., has been certified as a pilot systems operator in the F-4C Phantom jet at MacDill AFB, Fla.

Captain Smith was upgraded after passing rigid academic and flying requirements. His squadron is a part of the Tactical Air Command, which provides firepower and other air support to U. S. Army forces.

A graduate of Whiteface (Tex.) High School, he attended Texas Technological College in Lubbock. His wife is the daughter of Mrs. Jack Fletcher of Hamlin.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford

AUSTIN, Tex. — Texas Democrats and Republicans are gearing for their big clash in the November general election.

Democratic leaders are in Atlantic City, New Jersey at their party's national convention.

Gov. John Connally indicated both national and state campaign organizations will be put together in Texas soon after the convention.

Meanwhile, Republicans report they already have built an organization far stronger than any they have fielded to date. They plan to do vigorous battle in local races, as well as national and state campaigns.

GOP assembled its candidates and campaign leaders here last weekend for a special training school in practical political organization, vote-getting tactics and fund-raising activities.

OIL RISE — Texas Railroad Commission ordered a substantial increase in oil production for September.

Wells which are under production will be allowed to produce 28 per cent of their capacity during September, compared with 26.5 per cent this month.

New production quota amounts to 2,831,583 barrels daily, compared to 2,794,312 for August.

Commission also took under advisement conflicting testimony on effect of its proposed \$5,000 bond requirement for drilling or reworking wells in the interest of pollution control. Fifteen days were allowed interested parties for filing for additional briefs.

APPOINTMENT ANNOUNCEMENT — Governor Connally announced nine appointments to Trinity River Authority Board of Directors, three to San Jacinto Battlefield Commission and two to the State Board of Barber Examiners.

Reappointed to the Trinity River Board were Paul H. Cau-

Pamela Hood and William Stevens Exchange Vows

Pamela Hood, daughter of Mr. and Mrs. James E. Hood of Sylvester and William Stevens, son of Mr. and Mrs. C. Stevens of Hamlin, pledged double ring vows Saturday afternoon at the Methodist Church.

The Rev. E. L. Yeats of Roby read the nuptial vows. Music was presented by Susan Scott, pianist.

Attendants to the couple were Mr. and Mrs. Anthony Woolf of Sweetwater. Given in marriage by her father, the bride wore a dress of white brocade taffeta fashioned with low round neckline, long sleeves and full pleated skirt. A tiara of sequins and pearls held her shoulder length veil. She wore a corsage of orchids.

Mrs. Woolf wore a suit of steel blue crepe accented with corsage of white carnations.

Reception was in Fellowship Hall.

The couple is residing at Sweetwater.

Mr. Farmer — Mr. Rancher:

A recent study in this area has resulted in an upward adjustment in our loan values making it possible, in many cases, to make larger loans. For information about a loan on your farm or ranch come in soon — let us explain the many advantages of a Land Bank loan.

A DO-IT-YOURSELF ELECTRIC SYSTEM

More than 300 years ago, Benjamin Franklin used a kite to prove that lightning is electricity.

More than 25 years ago when the rural people of this area tried to get electric service, they were told in effect to "go fly a kite."

But with the same pioneering spirit that fostered our great nation, these people borrowed money at interest and built the Midwest Electric Cooperative. Midwest Electric Cooperative today is a model of efficiency and economy. This "do-it-yourself" electric system offers a dependable service second to none. The member-owners of the Midwest Electric Cooperative are at one and the same time pioneers and specialists in rural electrification. Rural electrification is good for all Texans.

MID-WEST ELECTRIC COOPERATIVE, INC.
ROBY, TEXAS

PATTERNS FOR PROGRESS

Community Development planning requires ANALYSIS of the Community Survey

Making a Community Survey of factors which influence community and economic development is the starting point for a soundly planned program.

What is done with and about such a survey is the next crucial step. We must assess and evaluate all the facts in microscopic detail, for results can come only from a thorough and realistic analysis.

We should ask ourselves . . . what are our advantages for economic and civic growth? How can we utilize them for community and economic development? Are there civic factors which need improvement to compete with our neighboring towns? How can we best make such improvements? And, is the entire citizenship cooperating with community organizations whose initiative and aggressive leadership can accomplish our objectives?

Analysis of a Community Survey is another PATTERN FOR PROGRESS.

WTU's area development representatives will assist growth-conscious communities in planning a thorough analysis of its Community Survey for economic development. This service is available on request through your local WTU manager.

FAIRVIEW NEWS

By MRS. ELMER JOINER

After such a hot summer everyone is really enjoying the cooler weather of the past week. The big rains we need have not come, but some rain has fallen and farmers are all busy plowing the cotton again. Looks rather foolish to be plowing in a field that is opening, but since the little weeds are covering the ground, that is about all they could do.

We are sorry to report that Raleigh Bond has been in the Hamlin Hospital, since Friday night suffering from a virus.

Quite a bit of excitement was had at the church Sunday morning when one of the ladies looked at the door and saw a colored man beckoning for someone to come out. Knowing that something must have happened, two of the ladies left Sunday School class to see what the trouble was. They learned that his car would not start and his wife had to get to the hospital, and he had walked quite a ways to the church house, to get help, as all of the neighbors were away from home. Two of the deacons immediately left and

carried him home, where they found her shoeing the stork away, so they put her in the car and made a mad dash for the Anson Hospital, arriving ahead of the old bird. We have not learned the outcome but we were glad that the worried father knew where he could find help, for he was in a desperate situation.

Mr. and Mrs. Ralph Rosamond, of Dallas, visited with her sister, Mr. and Mrs. H. L. Ford and family, Saturday.

Mr. and Mrs. Lynn Wright have been visiting in Hamlin the past week, with his parents, Mr. and Mrs. Jack Wright and brother, Mr. and Mrs. Jack D. Wright and children. He recently was discharged from the Navy.

Mr. and Mrs. Winson Gray spent Sunday with Mr. and Mrs. Woodrow Goodwin and Linda.

Mr. and Mrs. Joe Ford, Rev. and Mrs. Kenneth Leverett and girls, ate lunch with Mr. and Mrs. E. A. Henry, Sunday. Mrs. Ford reported that she even got her supper also, enjoying the day of old time hospitality.

Mrs. Woodrow Goodwin and Linda, Mrs. Runt McCoy and Kay and Mrs. Elmer Joiner, all visited with Mrs. Lois Hampton, Friday afternoon, in the Crestview nursing home, south of Abilene. Mrs. Hampton enjoys cards and letters very much, and her address is: Crestview Nursing Home, Route 5, Box 226F, Abilene, Texas.

Mr. and Mrs. Elmer Joiner attended funeral services in Stamford, last Monday afternoon, for his cousin, Ben Edge, of that city. Mr. Edge was found dead in bed, early Sunday morning, by his wife, apparently having had a heart attack, since he had suffered from a heart ailment for many years.

Some from out our way also attended funeral services at Neinda, last Wednesday, for Dottie Brown, a long time resident of that place. Dottie was the last of the three invalid

children, that Mrs. Brown had tended so faithfully these many years, until she could no longer stand up to it and had to put Dottie in a nursing home. But her prayers were answered that she would be permitted to outlive the three, this being five children she has buried, having five living. Mr. Brown passed away several years ago.

Mr. and Mrs. Hap Ray, Anson, spent Sunday with Mr. and Mrs. Elmer Joiner.

Mr. and Mrs. J. E. Boyd and son, Don, of Snyder, visited with her sister, Mr. and Mrs. E. A. Henry, Sunday.

Mr. and Mrs. Joe R. Rosenbaum, Pampa, have been visiting with his parents, Mr. and Mrs. Fred Rosenbaum.

The nominating committee, of the church, met in the home of the Elmer Joiners, Friday night, followed by a deacon meeting, killing two birds with one stone.

Mr. and Mrs. Joe Bonds Jr., have been in east Texas, for some time where he is working. Family night will be held Wednesday night, at the park, with an ice cream supper, weather permitting.

'Will' Barley Shows Promise for This Area Says Agent

"Will" barley which was developed by the Oklahoma Agricultural Experiment Station, shows lot of promise in Texas from the Temple area north to the Red River and Panhandle areas, according to information this week from County Agent, Kirby Clayton.

"Will" barley was selected from a cross of Rogers and Kearney and is similar in many ways. The new variety is green bug resistant and more winter hardy than Rogers. It is moderate height, has good straw

strength, is resistant to mildew, but susceptible to rust. It has produced some outstanding yields in recent Texas tests. "Will" barley is winter hardy and in test at Iowa Park, 99% of the stands survived the cold, compared to 20% survival for Cardova. "Will" barley is recommended in areas of Texas where Cardova and Rogers may be lost from winter killing, says Clayton.

Foundation seed are available from College Station and Hereford, Texas to certified small grain seed producers.

Capt. T. M. Garland Taking Part in Two Week Training

FORT POLK, LA. — Army Reserve Capt. Thomas M. Garland, son of Thomas H. Garland, Hamlin, and other members of the 980th Engineer Battalion are participating in two

weeks annual field training at Fort Polk, La., ending Aug. 30. Captain Garland is undergoing extensive construction training under simulated combat conditions.

He is regularly assigned as a supply officer with the 980th Engineer Battalion, an Army Reserve unit in Wichita Falls.

The captain is employed as a petroleum engineer by the Bureau of Mines in Wichita Falls. He was graduated from Texas Technological College, Lubbock, in 1950.

Captain Garland and his wife, Gladys, live at 3506 Cumberland, Wichita Falls.

Small 'John' Boats Gaining In Popularity

By VERN SANFORD

The flat bottom boat is nothing new. Under the name of skiff or pram it has been around for ages.

In Arkansas a good many years ago someone dubbed it the john boat and that name has stuck. No one knows exactly where the name originated. But it serves its purpose well.

In most of Texas about the only flat bottom boats are homemade affairs. Usually they are built for river use. Generally they are constructed of 1x12, caulked with a heavy application of tar on the inside and covered with green muck on the outside. They are the kind you find tied up under an overhanging willow on the river bank.

Now, however, the john boat, flat-bottom or square-end, as you might prefer to call it, is coming into its own in Texas.

You'll find most of them in East Texas. They are numerous on such lakes as Caddo, Texarkana and Lake o' the Pines.

The john boat is an easy boat to handle. It can be transported on top of the car without too much trouble.

Today john boats are being made in both aluminum and fiberglass. Weights are about the same, usually slightly more than 100 pounds. Two men can handle one on top of a car, with relative ease. Especially the 12-foot models, which are lighter.

Most practical and popular john boat is the 14-footer. However, in Arkansas they use a great many of the 16 to 20 foot length for float fishing.

In fact, the 16-footer is almost a standard item on Arkansas streams. They have plenty of beam and ample freeboard. And they can be powered by comparatively light motors.

The john boat has ample space for carrying a duffle bag, an ice box and comfortable swivel seats for the fishermen. Three men can fish in comfort from one of these longer boats.

On East Texas lakes, however the 12 and 14-foot boats are the most practical. In fact, they are ideal for the diversified fisherman—the man who doesn't care too much what kind of fish he catches.

One big advantage in these car-toppers is that they can be hauled right to the bank of the lake or stream, thereby eliminating long rides across open water. If you know where there is a good tree-top expanse of water you can drive up to the shoreline, slide the boat in the water, and with a small motor be in your fishing spot in a matter of minutes.

After you reach your destination manipulation of the john boat is simple, although perfection takes considerable practice and experience.

I like to watch experts fish from these boats. They sit in the front end of the boat and with a short paddle and a stirring motion, move the boat along from tree to tree with the greatest of ease.

Most of these fishermen use a comparatively short cane pole rigged up with a line slightly shorter than the pole, they use two hooks. One may be baited with a minnow, another with a worm or a cricket.

They move up to a brush pile or a tree stump protruding from the water, drop the hook to the bottom and jiggle the bait a couple of times. If there is a fish around it usually he's pretty quick. If not, the fishermen quietly moves on to another location.

These fishermen do not bother to string their catch. Most of them have wire baskets hanging over the sides of their boats. They drop the fish into these baskets.

In the course of a day they will get a mixed assortment of fish. Some will be bass, others large bream and crappie. Occasionally they'll pull up a good catfish or two.

This is an economical way to fish. Initial price of the boat is comparatively small. A 3-hp motor is ample and it doesn't cost too much. With a cartop boat, no trailer is involved.

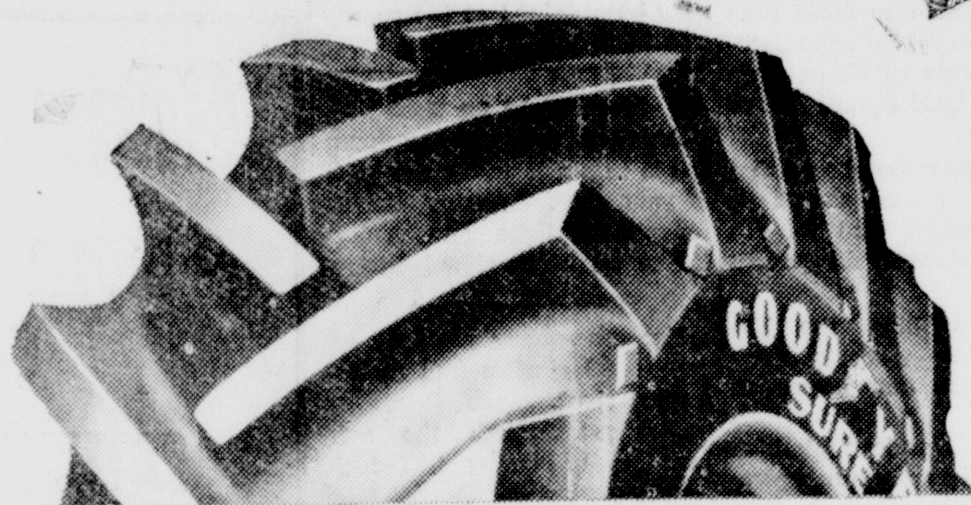

Not only is transportation of the john boat simple, but so is its storage.

It can be suspended from the ceiling of your garage, completely out of the way. Then when needed, all you have to do is lower it on top of your car and tie it securely to your luggage rack.

John boats make excellent auxiliary boats. As such they certainly have earned their place in Texas.

NEWS FROM COUNTY AGENT—

Suggestions on Storing Grain To Avoid High Insect Losses Given

By: Kirby Clayton
Stored grain insects inflict enormous losses upon grain producers each year, reports Jones County Agent Kirby Clayton. Insects destroy an estimated two percent of the nation's farm-stored grain each month.

Among the most destructive stored grain insects in Texas, says Clayton are rice or corn weevils, lesser grain borers and Angoumois grain moths.

Protection against these pests is begun by storing grain

only in bins that have been thoroughly cleaned, he pointed out. Old grain, trash, feed sacks and other debris that furnish living quarters for insects should be removed. Cocks should be covered to prevent grain from collecting, and grain and other material beneath and near the bins should be destroyed.

After cleaning, says Clayton, spray the inside surfaces with either methoxychlor or malathion at the rate of about two gallons per 1,000 square feet of surface area.

It should be remembered that grain to be stored should be clean and sound and have a moisture content of 12 percent or less.

Also, when filling the bin, allow adequate working space for fumigation and inspection of grain.

Premium grade malathion may be used as a grain protectant on wheat, oats, rice, corn, rye, barley, grain sorghums, peanuts and field or garden seeds. It can be applied as a dust or spray at the time the grain is being placed in final storage.

Several liquid fumigants are effective in killing weevils and beetles which feed below the grain surface, Clayton says. Some of these include ethylene dichloride, carbon tetrachloride and carbon disulphide (Hi-Life).

Before fumigating, spray the outside of the bin with a residual spray such as malathion to kill insects that may be forced out of the building by the fumigant. Clayton advises that the bin be made as tight as

possible before fumigation and that the grain surface be leveled to insure even penetration.

Fumigants when applied properly, will penetrate grain and in most cases kill all stages of insects to a depth of 10 to 12 feet. Best results are obtained if fumigants are applied when the air is calm.

Since fumigants are dangerous, precautions listed on the manufacturers label should be followed carefully, warns Clayton. When applying fumigants, always work with someone who can assist you in case of an accident or excessive exposure.

Additional information on the control of stored grain insects may be obtained at the county agent's office.

More Light for Tent

Another use for aluminum foil is to pin it across the back of your tent. Its shiny surface reflects the light and makes the tent lantern glow brighter.

Emergency Rivet

For emergency repairs, an empty .22 rimfire hull makes a good rivet.

Just cut through the soft brass hull, leaving 1-17 inch length protruding through the material you want to rivet. Then insert a ball bearing or rock just slightly larger than the shell size and tap several raps with a hammer to expand the end.

For Clear Windshield

A bottle of any kind of carbonated "cola" drink poured on your windshield will keep road film off for hours.

OLD GLORY...

By Judy White

Several Old Glory relatives attended the funeral of Mrs. A. G. (Erna) Aurich, 77, lifetime resident of New Ulm, Texas, except for the last three years which she spent in a nursing home in Houston where she died Wednesday night of a cerebral hemorrhage. Services were held in St. Johns Lutheran Church in New Ulm and burial was in the New Ulm Cemetery. She was preceded in death by her husband and her parents the late Mr. and Mrs. Wm. Klump of Old Glory and also in November of 1963 by her son Bertram and July 1964 by her brother Hugo Klump. Survivors include a daughter, Mrs. Otto Kreniew of Houston, a son Kermit of Dallas, 2 sisters Mrs. W. G. Wienke and Mrs. Tillie of Old Glory; 2 brothers, Leo Klump of Bellville and Ben Klump of Old Glory.

Those attending the funeral from Old Glory were Mrs. W. G. Wienke, Mrs. G. F. Spitzer, Mrs. Bernice White and Judy, Mrs. Tillie Dippel, Mr. and Mrs. Ben Klump and Mr. Cecil Klump.

Mr. Roy Wienke visited several days with Mr. and Mrs. W. G. Wienke, his parents.

Mr. and Mrs. Raymond Gerloff and Mrs. Pauline Fuqua visited Mrs. Katy Gerloff Sunday.

4-H'ERS WIN IN DISTRICT
Stonewall County 4-H'ers entered 37 Junior and 11 Senior Records in District competition. The Junior Records will be judged at a later date.

The Senior Records were judged last week and winners were as follows:

First places: Brenda Dalby, Health; Carolyn Sander, Leadership; and Perry Workman, Swine.

Second Place: Butch Martin, Nancy Vahlenkamp and Judy White.

Other entering Senior Records not placing were: James Branch, Jackie Sanford, Marvin Vahlenkamp, Mike Baldree, and Billie Ann Vahlenkamp.

There were 106 Records entered in District 3-22-County-Area. All firsts will be judged for State Competition Sept. 15.

Old Glory Girls 4-H

The Old Glory Girls 4-H Club met in the home of Mrs. Benice White on Tuesday of last week. The group elected their club officers for next year. Those elected were as follows: Nancy Vahlenkamp, president; Stephanie Letz, vice president; Judy White, secretary; Reva Letz, treasurer; Judy Sander, reporter; Recreational leader will be Carolyn Sander to be assisted by Sandra Henderson and Carol Palmer; Regina Letz, historian; Rita Baldree, Parliamentarian; Brenda Palmer, Lynn Palmer and Cynthia Boles were selected for the foods committee.

The group discussed plans for erection of a 4-H Club welcome sign for the Old Glory Community. Rita Baldree and Brenda Palmer served refreshments at the meeting.

On Thursday of last week the girls attended a swimming party and picnic at Haskell Park. They were accompanied by Mrs. Oran Baldree and Norma Sander.

Boys 4-H News

The Old Glory Junior 4-H boys and their mothers met at the school on Aug. 13 and went on to Haskell for a swimming party.

Those present were Jimmy Leverett, Kenneth Jones, Herbie Woodbridge, Seve Letz, Weldon Spitzer, Russell Letz, Dewey Dudensing, Dale Letz, Cody Bridges, Johnny Garner, and also adult leaders, Mrs. Hazel Letz, Mrs. Jack Jones and six mothers. Watermelon was served and a good time was enjoyed by all.

Robinson - Terrell

Nancy Robinson, daughter of Mr. and Mrs. R. D. Robinson of Old Glory, and John Terrell pledged wedding vows on Saturday evening, Aug. 15 at the Aspermont Church of Christ. Jim Strait officiated.

The bride was given in marriage by her father. She wore a white street length dress with full gathered skirt and lace

over blouse, and carried a bouquet of white carnations.

Mrs. Jack Thompson was matron of honor and Jack Gore was best man. James Robinson, brother of the bride and Bob Hunt of Old Glory were ushers.

Only members of the family and close friends attended.

Micheal Vanderworth of Denver, Colo., is here visiting his grandparents, Mr. and Mrs. Charlie Letz and Mr. and Mrs. Oscar Vanderworth. Micheal is the son of Mr. and Mrs. O. D. Vanderworth.

Mrs. R. O. Gibson is in the Stamford Hospital. We wish her a speedy recovery.

Sharon Leverett, a student at A.C.C., is at home visiting her parents Mr. and Mrs. V. R. Leverett.

Among those attending the Church of Christ on Sunday night were Mrs. Iva McBroom of Haskell, Vernon M. Broom, Beeville, Mr. and Mrs. James Rossos, Monahans; and David Hellers of Levittown, Pa. They are all members of the McBroom family who lived here for many years, and had been attending a family reunion at Haskell over the week end.

Old Glory School will open on Monday, Aug. 31 with a new superintendent.

J. L. South, who is replacing V. R. Leverett, as superintendent has announced that students will register and go through a schedule of classes on Monday.

Mrs. V. R. Leverett, who worked as county home demonstration agent in Haskell last year will be returning to teach 3rd and 4th grade. Mr. Bill Wright of Guthrie will be joining the staff as the new math teacher.

Other faculty members are Mr. and Mrs. T. E. Pritchard, Mrs. Cecil Klump, Miss Betty Sadberry, Jerry Johnston and Mrs. Travis Bell.

Bill Wright and Jerry Johnston will be bus drivers, and B. R. Johnson, will be bus mechanic. L. B. Boles will continue as custodian and Mrs. Aaron House lunchroom supervisor.

Mrs. Lynn Flowers visited with her sister, Mrs. W. H. Hargrove in Stamford last Sunday.

HOSPITAL NOTES
